Petitioner,

ENTERED

vs.

**ORDER**Commander C. T. Hanft, USN Commander,  
Consolidated Naval Brig,

Respondent.

A petition for writ of habeas corpus has been submitted to the court under 28 U.S.C. § 2241 by a federal prisoner confined as an enemy combatant in the Consolidated Naval Brig. See Rumsfeld v. Padilla, 2004 U.S. LEXIS® 4759, 72 U.S.L.W. 4584, 2004 WESTLAW® 1432135 (U.S., June 28, 2004). Andrew G. Patel, Esq., a member of the Bar of the United States District Court for the Southern District of New York, paid the five-dollar (\$5) filing fee and has served the Office of the Solicitor General and the respondent by Certified Mail.

The Office of the Clerk of Court is directed to serve this order upon the respondent. I.e., the Commander of the Consolidated Naval Brig, who has already been served with a copy of the petition via Certified Mail by Mr. Patel, is to receive a copy of this order by Certified Mail (return receipt requested).

The "AFFIRMATION OF SERVICE" completed by Mr. Patel does not reflect actual service of process upon the *Attorney General of the United States* and the *United States Attorney for the District of South*

*Carolina*. See Rule 4(i). The Clerk of Court, therefore, shall serve the petition and this order upon the Attorney General of the United States and the United States Attorney for the District of South Carolina, in accordance with Rule 4(i), by Certified Mail (return receipt requested).<sup>1</sup>

<sup>1</sup>Fed. R. Civ. P. 4(i) provides:

**(i) Service Upon the United States, and Its Agencies, Corporations, or Officers.**

(1) Service upon the United States shall be effected

(A) by delivering a copy of the summons and of the complaint to the United States attorney for the district in which the action is brought or to an assistant United States attorney or clerical employee designated by the United States attorney in a writing filed with the clerk of the court or by sending a copy of the summons and of the complaint by registered or certified mail addressed to the civil process clerk at the office of the United States attorney and

(B) by also sending a copy of the summons and of the complaint by registered or certified mail to the Attorney General of the United States at Washington, District of Columbia, and

(C) in any action attacking the validity of an order of an officer or agency of the United States not made a party, by also sending a copy of the summons and of the complaint by registered or certified mail to the officer or agency.

(2) Service upon an officer, agency, or corporation of the United States, shall be effected by serving the United States in the manner prescribed by paragraph (1) of this subdivision and by also sending a copy of the summons and of the complaint by registered or certified mail to the officer, agency, or corporation.

(continued...)

The respondent shall file an answer, return, or other response to the petition as soon as reasonably possible, but in no event beyond **fifty (50) days** from service of this order. See Kramer v. Jenkins, 108 F.R.D. 429, 430-433, 1985 U.S. Dist. LEXIS® 12533 (N.D.Ill. 1985)(district court may use Section 2254 Rules in setting a time for a response in Section 2241 cases); and Rule 4, Rules Governing Section 2254 Cases.<sup>2</sup>

Since only the petitioner signed the petition and the petition was not signed by counsel admitted to practice before this court, the above-captioned case is, procedurally, a case with a *pro se* petitioner. Cf. Roseboro v. Garrison, 528 F.2d 309, 310, 1975 U.S.App. LEXIS® 12361 (4th Cir. 1975).

In the event that the parties intend to submit matters under seal, the attention of the parties is directed to new Local Civil Rule 5.03.<sup>3</sup> Cf. Local Criminal Rule 49.01.
