

Parking at UC

Student parking at the University of Cincinnati College of Law includes both on-campus and off-campus options. There are two on-campus parking facilities that are relatively equal in distance to the law school. The CCM garage features underground, heated parking spaces. The Calhoun garage does not, but parking spots are sold at a lower rate. To secure on-campus parking, visit UC Parking Services' website at www.uc.edu/parking. Parking pass sales for the fall 2010 semester begins on May 21. Be sure to buy the semester pass specifically for law students.

Off-campus parking is often less structured. Many students choose to park on neighborhood streets adjacent to the campus. Since the law school is located on the corner of UC's west campus, street parking can sometimes be relatively close. Other students look to secure parking through non-UC related organizations such as Deaconess Hospital (559-2646) or Stratford Heights (345-4450). Often monthly or annual passes may be offered by businesses such as these.
