Character and Fitness Form

 UNIVERSITY OF
Cincinnati
College of Law
PO Box 210040
Cincinnati, OH 45221-0040

Applicant Name _____

Applicants who intend to practice law should be aware that admission to the bar in all states involves character, fitness, and other qualifications. Applicants are strongly encouraged to determine what those requirements are in the state(s) in which they intend to practice by consulting the website of the National Conference of Bar Examiners at www.ncbex.org.

As part of this screening, the College of Law must provide a report on each student's character and fitness. To enable the College to compile that report, you must provide detailed information concerning your past conduct. Your failure to disclose past conduct which bears on your character and fitness could result in revocation of your admission to the College, discipline under the College Honor Code, or a state's refusal to admit you to the practice of law.

Please respond to the following questions, keeping in mind that complete candor is an indication of good character and fitness to practice law. Your answers are confidential, except for the report to bar examiners, unless you authorize the College to release them. If you answer "yes" to any of the following questions, (including question six which asks about tickets), you must use a separate sheet or an electronic attachment to explain fully the circumstances.
