Enrollment: Open

Seminar? No

Writing Requirement? No

Meets Client Counseling Requirement? No

Meeting Times:

Location:

COURSE DESCRIPTION:

Transactions to convey intellectual property (IP), which includes patents, trademarks, trade secrets, and copyrights, are a crucial part of business and technology law. Details of simple licenses will be taught in general as well as with reference to issues unique to the specific type of IP involved. Aspects of more complex licenses, due diligence to assess licensing opportunities, IP audits, and resolution of licensing disputes will also be described. Introduction to Intellectual Property required; Corporations I recommended.

SPECIAL NOTES:

Introduction to Intellectual Property required; Corporations I recommended.
