

Federal Income Tax
Professor McMahon

First assignment: Read Chapter 1 and Appendix I, pp. 1079-84, of the 9th edition of the Casebook. Beware, it is a new edition! Because of the expiration of various phase-out provisions, it is important to buy this version. If for any reason it is not available in the bookstore, email me. Also, register for the course's TWEN website and read under "Course Documents" *Basic Tax Handout* and *Obama tax return*. Finally, read §§ 61, 62(a), 63(a) of the Internal Revenue Code and Rev. Proc. 2009-50 on pp. 636-42 of the Code book.
