

GUIDES TO RESEARCH
in
INTERNATIONAL ENVIRONMENTAL LAW

James W. Hart
Associate Senior Reference Librarian
University of Cincinnati Law Library

1. ASIL Guides & Collections

Anne Burnett, *ASIL Guide to Electronic Resources for International Law*, (last updated March 11, 2010), <http://www.asil.org/env1.cfm>

International Environmental Law, EISIL, http://www.eisil.org/index.php?sid=737350997&t=sub_pages&cat=18 (last updated March 3, 2011)

2. Globalex Guides

Deborah Paulus-Jagrič, *Global Warming: A Comparative Guide to the E.U. and the U.S. and Their Approaches to the U.N. Framework Convention on Climate Change and the Kyoto Protocol*, Globalex (last updated May 2010) http://www.nyulawglobal.org/Globalex/Climate_Change_Kyoto_Protocol.htm

Arundhati Ashok Satkalmi, *Researching International Marine Environmental Law*, Globalex (updated Feb. 2010) http://www.nyulawglobal.org/Globalex/International_Marine_Environmental_Law.htm

Gary Yessin, *Sustainable Development Law (SDL) Research Guide*, Globalex, http://www.nyulawglobal.org/Globalex/Sustainable_Development_Law.htm (March 3, 2011)

Francisco Avalos and Maureen Garmon, *Basic Info and Online Sources for NAFTA and CAFTA Research (North American Free Trade Agreement and United States-Dominican Republic-Central American Free Trade Agreement)*, Globalex (updated Apr. 2010) http://www.nyulawglobal.org/Globalex/NAFTA_CAFTA_Research.htm

Barbara H. Bean, *Research Guide on Transboundary Freshwater Treaties and Other Resources*, Globalex, (Apr. 2007) http://www.nyulawglobal.org/Globalex/Transboundary_Freshwater_Treaties.htm (March 3, 2011)

3. Guides from Miscellaneous Sources

Acid Rain, Broward College, Florida Atlantic University (last updated Nov. 24, 2010)
http://libguides.ucl.broward.edu/acid_rain

Frederick Getze, *Internet Resources for Marine Studies*, University of Delaware (last modified Dec. 27, 2010) <http://www2.lib.udel.edu/subj/mars/internet.htm>

Global Warming: Greenhouse Effect and Climate Changes, Broward College, Florida Atlantic University (last update Dec. 1, 2010), http://libguides.ucl.broward.edu/Global_Warming

International Organizations, the Environment & Climate Change, University of California Berkley (2006), http://www.lib.berkeley.edu/doemoff/govinfo/intl/gov_intlenvi.html
(last visited March 4, 2011)

International Environmental Law: List Of Selected Resources Dealing With Global Environmental Issues, California Western School of Law (Last updated July 8, 2010),
<http://libraryguides.cwsl.edu/intenvironmental> .

International Environmental Law Research Guide, Georgetown Law Library (last visited Oct. 2010), <http://www.ll.georgetown.edu/guides/internationalenvironmentallaw.cfm>

Herb Somers, *An Annotated Guide To Selected International/Foreign Law*

Internet Resources, The George Washington University Law School (July 2007),
http://docs.law.gwu.edu/burns/research/tools/International_Foreign_Research_Guide.pdf
(March 3,2011)

You need to find the section on international environmental law, but it has some real gems such as the section for Web Resources for Environmental Treaty Secretariats and Commissions.

Heidi Frostestad Kuehl, *A Basic Guide to International Environmental Legal Research*, Globalex (updated Dec. 2010) http://www.nyulawglobal.org/globalex/International_Environmental_Legal_Research1.htm

Ana Martins, *International Environmental Law Research*, University of Washington,
<http://lib.law.washington.edu/ref/intenvlaw.shtml> (March 3, 2011)

Jack McNeill, *Pace Environmental Notes*, Pace Law School,
<http://www.law.pace.edu/library/pen/pen200911.pdf> (March 3, 2011)
