COURSE DESCRIPTION:

This course involves the study of the law affecting the American modern private business corporation. It deals with problems connected with organizing and funding a new corporation, the control and management of the corporation, the duties of directors, officers and controlling shareholders and liability for breach of these duties, and with transactions in shares of the corporation by directors and other insiders, including the impact of U.S. securities laws upon such transactions. Prerequisite for several upper level elective courses.

SPECIAL NOTES:

Prerequisite for several upper level elective courses.
